by: Alpha Distinct Development Solutions Inc.

NOEL TAÑADA

He worked as a furniture designer for well-known firms in the industry such as Drexel Heritage, Henredon, Ethan Allen, Ralph Lauren, Laurel's and Crate & Barrel.

He undertook residential and commercial projects as an interior designer in West Hollywood, Beverly Hills & Malibu, California and built his own furniture design and manufacturing company in the US, Tañada International.

He created Ecohomeart in 2015, the pioneering brand of ecofriendly furniture, lighting and accessories using water hyacinth, doy pack, palochina, rebar and other agricultural waste materials.
